How to do well in this course

1. Read the sections in the textbook.
2. **Ask questions!**
3. Attend the lectures.
4. **Ask questions!**
5. Review the examples and exercises.
6. **Ask questions!**
7. Complete practice exercises.
8. **Ask questions!**
9. Write the quizzes and review the solutions.
10. **Ask questions!**
11. Write the midterm and review the solutions.
12. **Ask questions!**
13. Write the final exam.

Activity #1

Let's play a game!

My bag contains 24 marbles – some white and some black.

You will:

1. Choose one colour (black or white).
2. Pick a marbles from the bag.

You win if you correctly predict the colour. Otherwise, I win.

Probability and Statistics
